• Program Overview
• Strike Teams + Review Disciplines
• Program Rates
• Feedback
EXPEDITED PERMITTING PROGRAM

• Optional program for accelerated plan review
• Single review session with team of plan reviewers of all pertinent disciplines
• Applicant’s consultants at review session to make revisions or decisions as needed
• Permits can be issued after a successful review session of both parties agreeing to revisions
TEAM STRUCTURE

- Plan Review Division Manager administers program
- Two Plan Review Coordinators, each assigned to a strike team
- Business Process Specialist and two Planner II positions support application intake, meeting coordination, filing/recording, and fee processing
REVIEW DISCIPLINES

- Building
- Mechanical (Commercial only)
- Electric (Commercial only)
- Plumbing (Commercial only)
- Zoning (Residential only)
- Arborist (Residential only)
- Fire
- Health (Commercial only)
- Industrial Waste (Commercial only)
PROPOSED RATES

- Service rate of $180/hour/discipline + permit fees
- Additional charges apply if 2nd round of review is needed
- Minimum two hour charge for services; overtime is 1.5 times the hourly rate
- Max hourly rate for commercial project: $1,620 / hr. (nine disciplines)
- Max hourly rate for residential project: $720 / hr. (four disciplines)
