## Emerging Professionals Committee Design Shine Kickoff Meeting and Q&A

Location: Virtual  
Date: 07/16/2024  
Time: 12 p.m. – 1:00 p.m.

### **Meeting Notes:**

#### **Design Shine 2024**

This year, there will be 6 installations total.

**Budget** \$750 per team

**Size** No fixed size. We want to encourage creativity and flexibility. It doesn't have to be a single chair and doesn't have to be *chair*. It could be a giant troll chair or a little one, let your imagination flow.

**Location/Placement in Garden** Unlike the past years, the contestants will not be able to choose a space in the garden to showcase their installation. Instead, there will be only one large area where all the art pieces will be clustered together. The idea is that all winning installations are creating one big collaborative art piece eventually.

**Maximum Team Size** No restrictions - it could be one person or a team, without any limitations. One person/team could even submit multiple entries, with one design package per entry/idea.

**Application Requirements** These are included in the 'Call for Participants 2024'
